

*New Golf Course Layout*  
 Winter work has continued across the park and the golf course has been part of this too:

- Access to and from the course is now via the main gate next to the Lakeside (1st tee)
- This has resulted in the renumbering of holes 5 to 9 (see map right)
- 1st tee and 9th green now adjacent to help play and circulation.
- Ongoing drainage work to help play during bad weather
- New plots added behind the 'new' 5th green
- Park Pool edge cleared of brush and undergrowth
- New scorecards will follow
- Please follow the new course layout from day 1
