Situated within the desirable Pearl Lake, this stylish holiday home combines contemporary design with thoughtful touches throughout. The bright and inviting lounge is centred around a generous sofa, which also serves as a sofa bed, alongside a cosy bucket chair for additional seating. Patio doors open directly onto a sleek glass-fronted decking – fully included with the property – offering uninterrupted views and a perfect spot to relax in the open air.

The distinctive dining area, with its unique table and seating arrangement, cleverly separates the lounge from the kitchen while maintaining an open-plan flow. The kitchen itself is both practical and well appointed, featuring a fridge/freezer, built-in microwave, and a gas hob with oven below, all arranged to make cooking and entertaining effortless.

A hallway leads to a useful storage cupboard before opening into the main bathroom, fitted with a shower, close-coupled toilet, and basin. The twin guest bedroom provides excellent storage space, while the master bedroom offers a king-size bed, plentiful wardrobes, a dressing table, and the convenience of a private en-suite toilet.

With its stylish presentation, superb features, and idyllic location, this holiday home at Pearl Lake is perfectly suited for those seeking comfort, elegance, and a relaxing retreat.
