- Cosy cottage
- Quiet location
- Golf course views
- Dog friendly
- Sleeps 4
- Free wifi
- CH / DG
- Free golf
- free fishing

Holiday cottage for hire Herefordshire. A cosy, quirky stone cottage fully equipped, entirely self contained with private parking and garden.

Stables Cottage has been renovated keeping a lot of it's original features. It is in a quiet setting alongside our private 9 hole golf course on a secluded part of the park and within easy walking distance of the beautiful, natural Pearl Lake. The Lakeside Bar & Bistro (open weekends low season/weekly high season) is a short walk away.

Stables Cottage can accommodate up to four people through two bedrooms – one double room (downstairs) and one twin room (upstairs). The access to upstairs is via a quirky 'galley' staircase. It is very steep and needs both hands free to climb and descend safely. It is definitely safer and easier to descend the stairs backwards!

****The staircase is very steep and unsuitable for those who have difficulty with mobility****

An attached private garden, with car parking, is to the front of the house and is overlooked from the kitchen window. There is a downstairs bathroom with full size bath and separate shower cubicle. Linen and towels provided.

Stay at Stables and enjoy golfing, fishing, cycling, rambling, or just relaxing. Fishing and golf are free whilst staying in our self-catering properties.

This property is pet friendly.

NB: Minimum booking of 3 nights.
