This fantastic holiday home has always been a mark of quality and design. The wow factor hits you the moment you step inside.

The open plan living area has a huge glass front bringing in natural light in abundance. The fully fitted kitchen has a breakfast bar with stools as well as a dining area for up to 4 people. This helps to create a great family atmosphere with everyone sharing the space. With the lighting options this also offers a more intimate mood for movie night or a romantic meal for two.

A family shower room and a twin room make this perfect for family and friends to stay. The master bedroom has its own en-suite shower room as well as a dressing table and plenty of wardrobe space.

The opportunity to own a Lodge of this quality, at this price, on a 5 star holiday parks does not come along very often. What can we say other than this is a 'must see' holiday home.
