The Willerby Aspen, always a favourite and always easy to see why..

This model is the classic Aspen that so many raved about for so long. The open plan living area is comfortable and spacious, including kitchen area, dining table for 4, and a large lounge. This is all topped off with a quite fantastic front aspect with large windows bringing in lots of natural light. All in all this is a great living area / family room that can be enjoyed just as easily when you have a 'house full' as when there is just the two of you having a cosy night in.

There is a family shower room and a twin room, perfect for guests and the master bedroom has plenty of wardrobe space and its own en-suite w.c.

Each holiday home at Discover parks is priced to include all siting and connection costs: Piped LPG and cabled digital tv signal, mains electric, water and drainage.
