ABI Beaumont

For sale at Pearl Lake Country Holiday Park.

This pre-owned ABI Beaumont has been designed to be a real home from home – actually, it might be better than home! At 42ft long – it's really spacious with a kitchen that oozes luxury and the master bedroom shrieks style!

The side entrance door takes you straight into the superb kitchen and dining area. The kitchen covers the full width of the home and is crammed with everything you'd expect from a luxury kitchen – dishwasher, washing machine, fridge/freezer, microwave, oven with 5 ring gas hob over. But it's also got what you wouldn't expect in a holiday home – a huge larder cupboard – with space for wine and spices, wicker trays for additional storage and numerous cubby holes and a small worktop. The dining table comfortably seats four in fully upholstered chairs for comfy eating.

In the lounge the colour palette is warm creams, beiges and nutty browns. There are 2 large sofas (one is a sofa bed) a footstool for extra storage, a focal fireplace and space for a TV. The patio doors and adjoining side windows bring in bags of light. Out of the living area and into the equally impressive bedrooms and bathrooms.

A really big twin room has a freestanding wardrobe with mirror on the door as well as cupboards and shelving above both beds. It's served by the really generous family shower room with lots of cupboard storage, a white suite and heated towel rail. The master bedroom is light and bright, there's a king size bed, a large dressing table with chair and mirror. There's a huge wardrobe and dressing area which leads into a stylish ensuite bathroom with full size bath and shower over.
