The entrance hallway offers a great buffer to the rest of the holiday home. Somewhere to take your shoes off, store your jackets or dry the dogs paws. Turn left and it takes you into the light and spacious open plan living area. A fully equipped kitchen and a dining area for 4 people greet you before your eye is lead to the light coming into the lounge area through the patio doors. A great space for family and guests to share company.

There is a twin bedroom next to the main family bathroom (with over bath shower). The master bedroom has a walk-in wardrobe and an en-suite shower room, offering privacy and relaxation in luxurious surroundings.
