ABI Beverley

Enjoy the freedom in style

With sleek matt black finishes and contrasting woods, the Beverley is seriously stylish.

From designer-look lighting to stripped-back handles, every inch feels original, a touch urban and utterly desirable.

Unwind in serious style

Every moment spent in the Beverley feels effortlessly chic. The Beverley is simple but striking, whether you're stretching out on the sofa, admiring the artwork in front of its sleek fire, or hosting guests around its mid-century style dining table, it's a space you can't wait to escape to.
