ABI Beaumont

The Beaumont never disappoints!

With lush fabrics throughout and a subtle, relaxing colour palette, the Beaumont feels very special indeed.

Entering through the side door into the (very) spacious kitchen dining area, it's easy to see why the Beaumont is always so popular. The light / view through the large, glazed patio doors can be appreciated from anywhere in the open plan living area - what great feeling that offers!

There is a lovely twin / guest bedroom - again with the Beaumont 'trademark' luxurious, weighted fabrics. The family shower room has a large shower cubicle and competently services the twin bedroom.

The master bedroom is a master piece! With a large dressing table, sumptuous bed and separate dressing room you couldn't ask for more... but the Beaumont gives it to you anyway in the shape of a fabulous en-suite bathroom.

A must see holiday home on a must see holiday park, surely another winning combination.
