ABI Beverley

At Pearl Lake Country Holiday Park

The beautifully simple ABI Beverley is for sale at Pearl Lake Country Holiday Park... A match made in heaven!

The open plan living area is inviting and very easy on the eye. Large, sliding patio doors let the light in and the colours keep the mood bright and friendly.

The fitted kitchen is accompanied by a dining area for 4 people.

A huge bonus for the Beverley is the family shower room as well as an en-suite bathroom. This gives space and privacy when you have guests or family staying with you.
