- Master dressing table

ABI Sunningdale Premier

Available at Pearl Lake Country Holiday Park

The Sunningdale Premier, on a quiet plot, is a great introduction to holiday home ownership.

Holiday homes like this one are open and honest. With clean lines and an open plan layout it has everything that you need to enjoy your time on park.

An open plan living area, with patio doors letting great light in. There is a dining area for 4 people next to the kitchen - with feature curved worktop.

The shower room and twin bedroom are passed in the corridor leading to the master bedroom, with large window, en-suite w.c. and a dressing table.

All in all, a nice clean, thoughtfully designed layout that is a great price for a holiday home on a 5 star holiday park.

Come and take a look.
