£47,995

Regal Harlington

For sale at Pearl Lake Country Holiday Park

This pre-owned Regal Harlington at Pearl Lake is superb value for money. Its neutral colour scheme is just waiting for you to put your stamp on it. Plus, there's 2 shower rooms, a great fitted kitchen and bags of storage all round.

You enter the Harlington through a side door straight into the open plan kitchen and living area. The kitchen is flooded with light, which is reflected off the cream gloss cabinet fronts. There's a full size fitted dishwasher, fridge/freezer, microwave, 4 ring gas hob. There's dining table that seats 4 in fully upholstered chairs – great for relaxed meals.

The living space benefits from full width glass, including a set of patio doors flanked by full length windows on either side. There's a focal point electric wood effect fire and a feature wall display unit with space for a large, slim TV. There's 2 comfy sofas, one of which is a sofa bed for extra room for guests.

The 2 bedrooms are both generous. The twin room has a wardrobe and plenty of storage. It's served by the family shower room, whilst the master bedroom with a double bed has its own ensuite with a large shower. There's also a wardrobe and a dressing table.

So, loads of room, heaps of features – the Harlington ticks lots of boxes.
