Willerby Vogue Nouveau

Designed with space, light, and comfort in mind, this high-specification model is located on a premium plot.

Step straight into a thoughtfully designed kitchen and dining area, where a built-in bench and coat hooks create a practical space for outdoor essentials. Look to the left and your eye is immediately drawn through sliding patio doors, flanked by full-height windows and fanlights above – flooding the living space with natural light and framing glorious views of your surroundings.

The lounge is a perfect place to unwind, with two stylish sofas – one reclining, the other doubling as a sofa bed – offering flexible comfort for family and guests alike.

The fully fitted kitchen is a true centrepiece, featuring glossy white cupboards paired with granite-style worktops, a double-door American-style fridge freezer, 5-burner gas hob and large oven, Integrated microwave, dishwasher, and washing machine. The dining area comfortably seats six.

The hallway leads to a beautifully designed twin bedroom, served by the elegant family shower room, offering modern fixtures and fittings throughout.

The master suite has a king-size bed, dressing table with mirror and lighting, and its own private en-suite shower room with an extra-large walk-in shower. Patio doors offer the option to add a private deck, while a walk-in wardrobe provides exceptional storage and luxury.
