- Dishwasher
- 5 ring gas hob

### Atlas Pisces

This ABI Pisces offers timeless styling and a turnkey finish, ready for you to move straight in. Currently sited on the showground, this spacious and airy holiday home sleeps up to six, making it the perfect base for family getaways or relaxed breaks with friends.

You step directly into a generous kitchen and dining area, where granite-effect countertops are paired with cream wall units and contrasting grey base cupboards for a stylish, modern look. The space is well equipped with a five-ring gas hob set above a good-sized oven, complemented by a glass splashback, and an integrated fridge freezer, microwave, and dishwasher. A dining table for four sits beneath a large picture window, filling the room with natural light.

The lounge offers an inviting and sociable setting, featuring a large sofa that easily seats five, along with an additional easy chair and a sofa bed for extra guests. A striking wood-panelled feature unit houses a slimline log-effect fire, ample shelving, and space for a large TV, while clever storage units discreetly divide the lounge from the kitchen. Patio doors and multiple large windows keep the space bright and welcoming.

A family shower room includes a large cubicle and obscure-glass opening window. The twin guest bedroom benefits from generous cupboard storage, bedside lighting, and a shelf with mirror. The master bedroom boasts an en-suite WC, double wardrobes, a dressing table with mirror, and plentiful storage.

Competitively priced and offering a practical yet stylish layout, this ABI Pisces represents an ideal starter holiday home
